This is the Credit Guide of WhiteStar Finance Pty Ltd, ABN: 13 085 123 539, Australian Credit Licence: 383519. A member of the WhiteStar Group. We are licensed to arrange loans under the National Consumer Credit Protection Act 2009. Services We Provide

We will provide you with information on a range of lenders and products. Once you have chosen a loan that is suitable for you, we will help you to obtain an approval.

Our Panel of Lenders

We source loans from a panel of lenders. Subject to meeting the lenders credit criteria, we are able to obtain credit for you from these lenders. These lenders do not necessarily represent all the lenders who offer credit of the nature you seek. The six lenders with whom we conduct the most business are:

Liberty Financial, First Mac, Pepper Money, Bankwest, My State and Macquarie Home Loans.

Our Responsible Lending Obligations to You

We are obliged to ensure that any loan, or principal increase to a loan which we help you to obtain, is not unsuitable for you. To decide this, we may need to ask you some questions in order to assess whether the loan is not unsuitable. The law requires us to: Make reasonable enquiries about your requirements and objectives; make reasonable enquiries about your financial situation; and take reasonable steps to verify that financial situation.

Credit will be unsuitable for you if, at the time of the assessment, it is likely that the following would apply at the time credit is provided: You could not pay or could only pay with substantial hardship; or the credit will not meet your requirements or objectives. For example, if you can only repay by selling your principal place of residence, it is presumed that the loan will cause substantial hardship unless the contrary is proved. For this reason we must ask you to provide a significant amount of information. It is important that the information you provide is accurate, complete and up to date. If we proceed on incomplete or incorrect information, you may be in breach of your legal obligations to the lender.

We will provide you with a copy of our preliminary assessment of your application if you ask, within seven years of when we provided assistance to you. This requirement is only triggered if we give you credit assistance.

Our Fees and Charges

We sometimes charge a fee for our service. More details about the fees payable by you will be set out in a quote which we will give you before a finance application is lodged. You may obtain from us information about how these fees and charges are worked out.

You may be charged a lender's application fee, valuation fees and other fees associated with the loan. These fees are not charged by us and will be disclosed to you prior to submission of the credit application. You understand that you will be liable to a credit provider (or valuer) for valuation fees and to a credit provider for any processing and/or legal fees incurred.

Referral Fees

We may pay a referral fee (i.e. commission) for third party referrals. An example of a referrer would be an accountant, real estate agent or solicitor. This fee is not payable by you. This fee estimate will be disclosed in the Credit Proposal Disclosure Document. You may on request obtain a reasonable estimate of the amount of commission and how it is calculated.

Commissions

We receive commissions from the financiers who provide the finance for you as our customers. These are not fees payable by you. You may obtain from us information about a reasonable estimate of those commissions and how the commission is worked out.
